

C. Michael Stoneham, City of Franklin, announced today would be his last meeting as he is going “back into retirement” and has enjoyed working with everyone.

VII. Old Business

Brian asked for an update on AMI deployments going on in Danville. Ken shared. Mike Moon also talked about Manassas’ pilot program.

VIII. E&O committee report

Brian reported that Blacksburg will host the meeting March 29-30 at the Holiday Inn. Encourages members to register as those registrations seem to be lower than usual. He mentioned there is a good program.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Kimberly Pollard
Executive Secretary-Treasurer
